COMPAMED 2025 and SPS 2025 – Alps Alpine presents innovations in the fields of sensor technology, connectivity, and mechatronics

Munich, Germany – October 30, 2025 – Alps Alpine, a leading provider of electronic components and system solutions with a combine expertise in sensing, connectivity and mechatronics, is excited to announce its participation in two premier international trade fairs: COMPAMED 2025, held in Düsseldorf from November 17–20, and SPS – Smart Production Solutions 2025, taking place in Nuremberg from November 25–27.

At **COMPAMED 2025**, the world's leading trade fair for high-tech solutions in medical technology, Alps Alpine will present its latest advancements in microtechnology, medical device components, digital health solutions, designed to meet the evolving needs of the healthcare sector. Visitors can find the company in **Hall 8b, Booth N34**, where the Alps Alpine team will be available for live demonstrations and expert consultations.

“Participating in both COMPAMED and SPS allows us to demonstrate the versatility and impact of our solutions across two critical sectors—healthcare and industrial automation,” said Joerg Kortekamp, Sales Director at Alps Alpine. “We look forward to engaging with partners, customers, and innovators to explore new opportunities and collaborations.”

For more information or to schedule a meeting during the exhibitions, please contact Luca Marchetti at luca.marchetti@alpsalpine.com.

Alps Alpine Co., Ltd., founded in 1948 in Japan, is one of the world's largest independent manufacturers of electromechanical components and in-vehicle infotainment products. Headquartered in Tokyo, Alps Alpine maintains ca. 100 group companies across the Americas, Europe, and Asia. With ultimate specialist knowledge and reliability, Alps Alpine develops, produces, and markets electromechanical components as well infotainment and next generation mobility lifestyle products such as Audio, Display, Communication and Drive Assist on a worldwide basis.

As a subsidiary of Alps Alpine Co., Ltd., **Alps Alpine Europe GmbH** has been serving European customers for more than 40 years. Based in Munich, our head office in Europe combines a team of specialists in Sales, Marketing, Engineering and R&D. Including our sales offices in many other major cities such as Duesseldorf, Stuttgart, Wolfsburg, Gothenburg, Milton Keynes, Milan and Paris, Alps Alpine Europe GmbH employs around 560 people. Alps Alpine also has manufacturing locations in Ireland, the Czech Republic and Hungary to serve primarily our European customers.
